To improve campus placement

A good college for a better student

Bad choice for this course from this college
Because there is no well trained staff

No suggestion

Everything is good

Everything Good

Very well

improve your staffs and increase ,staff in mathematics deptment ,in sfvery poor very very poorwe all are pay our feeses correctly ,but the management off the college didnt their wrk correctlyvery very worst

All good

The teachers taught us very well and they supported us

No,All the best

super

Good teacher and great platform for the college of career development

Good

Very good

Please strict the boys to come the college in formal dress,I saw many times when our college boys crossing the people they saw them like different human being they didn't respond them.So please strict the boys dress code.

That's well

No clear

Very good experience to be studied in our college with our excellent mentors who guided us to explore our knowledge

Improve the campus interview

No thank you

Everything is good .. Its very useful for us

Yes

Ni

Like this college

Improvement in placement

Better

Because of COVID they didn't conduct any workshop training internship so we are suffering

Thanks

All are good

Zoology

Please improve bio lab facility

Please improve the class, and lab facilities

I am very glad to have joined this college for my better experience

According to me... Most of the staffs perform very well..they teach very well... But few staffs not teach perfectly actually they not even cover the Syallabus... So management should monitor that.. And management should improve lab facilities.. That's it....
